

# International Special Education Teacher

Openings: Beijing, Shanghai,  
Guangzhou, Suzhou and  
Singapore

## Immediate openings for qualified special education teachers

This is the perfect opportunity for a self-motivated, adventurous person who understands the life-long benefits that an international experience has to offer. You will become part of a dynamic, multi-disciplinary team of OTs and special ed teachers, physical therapists, speech pathologists and psychologists dedicated to making a difference in education in China and Singapore. You will have the opportunity to apply your clinical knowledge and skill set in a culturally diverse environment and a fast paced organization.

### Qualifications and Experience:

- Master's Degree in special education or related field
- At least two (2) years of experience with specialized populations
- Able to write and implement detailed, measureable IEP's
- Strong teaching skills with emphasis on students who are emotionally, behaviorally, or academically challenged including children with ASD, developmental delays and moderate to severe learning disabilities
- Must have strong interpersonal skills to manage of team of assistants and specialists; must demonstrate strong reading, written and oral language skills

### Key Responsibilities:

- Provide educational instruction to assigned students in a structured classroom environment designed to promote intellectual, emotional and social growth, including directing a team of support staff
- Develop and document daily teaching plans that are appropriate to children and adolescents (ages 3-21 years) with emotional, developmental and/or behavioral needs
- Writing detailed, measureable IEPs which are reviewed twice per year with team and parents
- Implementing a variety of methodologies that meet the needs of each child, for example, ABA, PECS, TEACCH, writing programs, math programs, functional life skills, etc
- Consult with parents and make home visits to align goals at schools with home life
- Create a fun, positive, and engaging experience in which children make progress and are motivated to learn

**The Essential Learning Group (ELG)** is a multi-disciplinary, educational services organization dedicated to helping parents, schools and educators meet the individual needs of children. As professionals and parents, we have a genuine understanding of the challenges faced by parents and schools in finding and providing personalized educational services that meet specific needs among a wide range of students.
